

AFFORDABLE ACCOUNTING FOR AGENCIES

MITC delivers cost effective solutions by taking responsibility for all agency software needs, eliminating the cost of multiple software applications and integration issues to reduce cost of ownership:

- Time and Attendance
- Scheduling
- Payroll
- Financials

Unlike general purpose systems, MITC provides a complete integrated solution and services to support the needs of an agency. MITC Agency Financials includes:

- General Ledger with standard agency Chart of Accounts
- Job Cost with standard agency costing system for Group Homes and Services Contracts
- Accounts Receivable
- Accounts Payable
- Contract Management
