

AGENCY-READY WORKFORCE MANAGEMENT

Workforce management at a price you can afford from a vendor you can trust.

- Simple pricing
- Monthly plans with no long-term contract
- Cloud or customer-hosted options

Fully Integrated. Time & attendance, payroll and billing rules & reporting engine, billing, and payroll integration.

Modular. Staff and client attendance, web clock, telephone timekeeping, biometrics, employee scheduling, human resources, billing, documentation: Get what you need today! Add more when you're ready.

Eliminate the Paper. Eliminate the risks of using paper timesheets, reduce payroll related costs, and minimize compliance risk.

Implementation. MITC Agency Specialists help your agency set everything up and train your staff. No headaches getting up and running.

Easy Mobile Access. On the go. Out of the office. Employees and managers can access MITC to clock-in, request PTO, approve timesheets, and more.

Loaded with Value. Your agency only pays for what you use. As MITC continues to invest in agency-specific solutions, you reap the benefits.
