

# PAYROLL INTEGRATION

## Synchronize Employee Databases

- Download employees from payroll or HR to MITC
- Automate creation of employee settings for time and attendance
- Automate setting up employees using telephony

## Eliminate Payroll Data Entry

- Use MITC Timecard Integration to automatically update payroll
- Automate pay differentials
- Generate holiday pay for days off and worked holidays
- Calculate overtime automatically

**MITC has worked with hundreds of organizations to seamlessly integrate time and attendance with payroll.**
